

IN the BUFF ON the HEATH

Naturists on the Heath

Naturist sunbathing is allowed **only** in the very cramped men's pond changing area but to swim you **must** put on a costume.

Women are **not allowed** any Naturist sunbathing within the confines of the ladies pond.

Naked sunbathing is a non-sexual family activity

The Hampstead Heath charter states that the Heath should be available to all Londoners for recreational purposes. Currently the management are not convinced that sufficient Naturists (of both sexes) want to use Hampstead Heath.

The Naturist Action Group (NAG) exists to provide education and promote the benefits of Naturism. If you would like more information please go to our website.
