Three naturists are now travelling from London on Friday 7 September via the 11.31 Eurostar and staying at the Nord Est Hotel. Each person will be responsible for their own booking with lower cost hotels in the Gare du Nord/ Gare De l'Este area. Travel on Eurostar + 2\* hotel **could give a basic cost of about £200**. Added to this will be the cost of any meals, local transport and other interesting activities. Some naturists are planning to travel from Birmingham.

The purpose of the visit is to get information on how our Paris colleagues gained political approval for the official area for naturism in the Bois de Vincennes large park. NAG liaises with our naturist colleagues in *APNEL*, *Naturistes de Paris*, and *FFN*. Other European naturist colleagues, who know of NAG's work, may meet up with us in Paris. Naturists from various parts of the UK are welcome to join us.
